Successfully prepare your trade fair participation

The basis of how our services are calculated

A successful trade fair presentation requires precise planning and calculation before booking an exhibition area. With this prices and services catalogue from Koelnmesse Service, you can calculate the costs of the additional services you may use during your trade fair presentation and add them to the cost of renting an exhibition area.

Important information:

This catalogue provides information on the individual services offered and allows you to plan your trade fair presentation. Please only order using the Koelnmesse Service Portal at www.koelnmesse-service-portal.de or by using our "Service Package 2009" CD. All prices listed are net prices and are subject to change. The VAT applicable in per item case will be added to the price.

Plan efficiently and easily in just two steps.

This prices and services catalogue comprises a product description and a price list with which you can calculate your trade fair presentation in two fast and easy steps.

Step 1: Product description

The product description provides you with all the services and related information, so you can select the services relevant to you. Here you will find numerous ideas for the successful planning of your trade fair participation.

Step 2: Price lists

The price lists display all of the service prices in a clear and compact presentation. If the service you are looking for does not have a list price, call us on +49 221 821-3998. We'll be happy to help.

Navigation through our catalogue is easy, thanks to the direct links from the product description to the price list. Just print the appropriate page of this file.

Stand construction services

We make sure you have the perfect stand

With the stand construction packages offered by Koelnmesse Service, you can present your company in its best light. Our stand construction services leave no wish unfulfilled. We will provide you with trade fair stands in any size and design you need, at good value for money. So while we're organizing your stand, you can concentrate on what's important to you: your company's success.

Koelnmesse Service will build your stand in line with your needs and preferences. To take your individual requirements into account and ensure an optimal presentation for your company, you can choose from a selection of system stands with or without furniture, a customized stand design and, of course, a wide range of further possibilities when it comes to furnishings and equipment.

Important information for all stand constructions

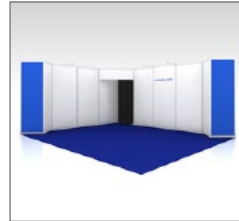

- Deadline for placing your order: eight weeks before the start of the fair.
- Orders received after the deadline for submission mentioned above are subject to a surcharge of 10% of the basic price.
- A processing fee of 50 EUR will be charged for per item additional change.

Stand construction services (S.01-S.10)

S.01 "Amsterdam" stand

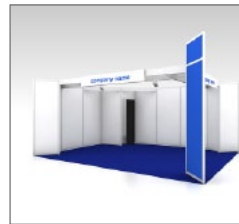

The "Amsterdam" stand is flexible and excellent value for money – and you can equip it with all kinds of features. Brightly-coloured diagonal walls are a simple way to draw a lot of attention to your company. Only the carpet and side walls are provided, so that there's plenty of room to promote your company's success even on a small stand area. >> [To the price list](#)

S.02 "Oslo" stand

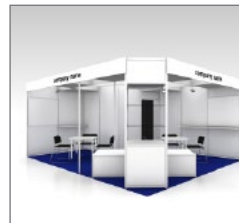

The "Oslo" stand is unfussy, bright and versatile in a typically Scandinavian way. Plenty of additional equipment is available to complement the colourful diagonal walls. You can attach spotlights to various points on the ceiling, enabling you to present your exhibits in the most flattering manner.

>> [To the price list](#)

S.03 "Basel" stand

Our "Basel" stand takes the same approach as a Swiss Army knife: the widest range of useful tools in a small space. The package price includes everything you need, including furniture, booth and shelves. A panel runs all the way across, rounding off your presentation to great effect. >> [To the price list](#)

S.04 "Kopenhagen" stand

Our "Kopenhagen" stand construction system features an eye-catching chrome design – the perfect backdrop for technical exhibits or other high-class presentations. Thanks to a special ceiling design, the stand needs virtually no supporting pillars even over large areas. And that means there's nothing to stand in the way of your ideas. >> [To the price list](#)

S.05 "London" stand

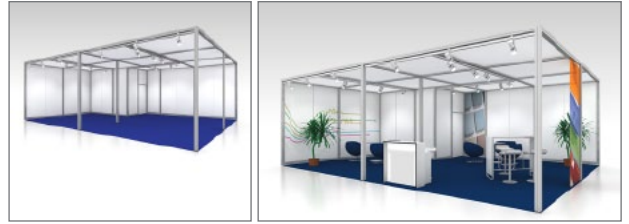

This stand combines classic chrome design and a ceiling construction without supporting pillars – complete with furniture, booth, shelving and other extras you need, depending on the size of your stand. "London" is an impressive stand concept to showcase your company and your success. >> [To the price list](#)

S.06 "Madrid" stand

The "Madrid" stand gives your presentation a striking atmosphere. Its textile ceiling panels create a pleasant atmosphere, and the large distance between pillars allows you to display large graphics on the walls. What's more, you can choose to hang up printed banners and graphics to draw everyone's attention to your company's key messages.

>> [To the price list](#)

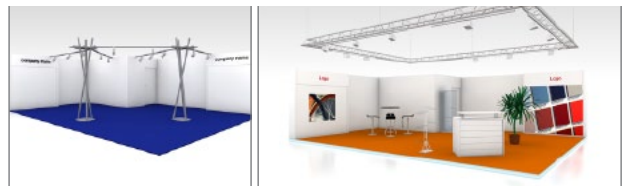

**S.07 "Barcelona" stand**

"Barcelona" is a perfect example of mastery in design. With its technically sophisticated, elegant "Pila Petite" construction system designed by Burkhard Leitner, you're sure to attract a tremendous amount of attention to your company. The textile ceiling panels and unusual showcases are real eye-catchers. "Barcelona" is the top model in our comfort program, and it offers you a multitude of design options – including glass walls, built-in showcases, shelving and sophisticated graphics. Turn your presentation into an unforgettable experience! >> [To the price list](#)

**S.08 "Paris" stand**

Our "Paris" stand system is positioned between our modular stands and our more elaborate customized stands. It offers you a high degree of individuality combined with a contemporary look. All of the walls are framed, so there are no visible supports anywhere within the stand area. As a result, you have plenty of freedom to showcase your ideas. What's more, the stand has no ceiling, so it's suitable for exhibits of almost any height. Eye-catching lighting systems give your stand an extra visual appeal.

>> [To the price list](#)

**S.09 Customised stand construction**

You have a stand area larger than 100 sqm and are looking for a design that is tailor-made for your company – at competitive rates? Simply contact us for an individual offer.

Choose your personal favourite from six different stand designs and brief us on the relevant details – fast and easy.

Your first step toward an individual stand:

>> www.koelnmesse-service.com/individualstand

**S.10 Partition walls/carpeting**

Here you can order white stand partition walls and carpeting as well as further elements for your stand. You are then free to design and equip your stand according to your own inspiration. In the event of damage to the wall elements, a replacement fee of 300 € per element will be invoiced. >> [To the price list](#)

M.02 LeadSuccess

How to safeguard your valuable visitor data

To ensure that your presentation and your crucial post-fair business run smoothly, it's vital that you document all of the necessary information about every visitor to your stand. However, it's difficult to find time during the fair itself to note down everything you need. And that means lead management chaos begins afterwards, when you have to hunt for slips of paper and

try to fill in the gaps from memory. Why not try our LeadSuccess system? This elegant service enables you to professionally record visitors' data at your stand, add extra information into a configurable questionnaire, manage your lead contacts after the fair, and plan your follow-up activities at leisure.

M.03 Press compartment service

A professional presence worldwide

- setting up of your virtual press compartment on the trade fair's website six weeks before the trade fair begins
- publishing of all company relevant information
- automatic registering of all of your press releases with the 20 leading search engines
- the contents of your press compartment can be updated and supplemented at any time
- worldwide access to your press compartment for 12 weeks after the trade fair is over

"Actual" press compartments:

- Here you can deposit all of the information about your company that you'd like people to know about.

>> back to table of contents

Other services:

- Regularly updated List of Exhibitors on a large screen
- Our service personnel monitor the press compartments at the trade fair. If your compartment is empty, we'll let you know immediately.
- Your press compartment is labelled with your company and brand names, plus your logo on request.

We have lots of room for your success

We offer rooms for every purpose at the exhibition centre, including offices and conference rooms. We will be happy to tell you the prices of the available rooms on request.

M.13 VAT refund service

We refund your VAT

The VAT refund process in Germany is strictly governed by laws and regulations and is therefore very bureaucratic and complicated. This entails the risk that exhibitors and trade visitors from abroad may not receive the full refund they are entitled to due to unintentional errors or misunderstandings. Be sure to take advantage of our service for refunds of the German VAT – it will

save you time and money. Due to the currently valid international agreements, the refund service is provided only to customers from Member States of the European Union and other eligible countries. Exhibitors from other countries can only take advantage of this service if they are part of a joint exhibition. The fee for the service is 15% of the amount refunded.

Catering services

Our catering services for your successful presentation

If your customers receive a warm welcome, they will remember your company's trade fair presentation vividly. That's why you will want to be the perfect host. To help make your participation a resounding success, Koelnmesse Service offers an extensive

range of catering services for exhibitors and visitors. Individualized service ensures that your needs, and those of your customers, are always satisfied. We want you to feel right at home – wherever you are at the exhibition centre.

C.01 Catering delivery service

Our delivery service: meeting your needs at any time

Whatever the occasion, we'll deliver the food and drinks you need right to your stand – you simply submit your personalised order, and we take care of the rest. We will be happy to tell you the prices for our single services on request.

It pays to book early!

The following delivery fees are charged per delivery:

Daily stand cleaning service during the event				
	The daily stand cleaning (depending on the service ordered) starts on the evening of the first day of the trade fair and includes the following services: dusting the floor and furnishing, and emptying waste bins, ashtray and wastepaper baskets. Waste is only emptied into refuse bags ordered in advance from the service partner of Koelnmesse Service. At the time of cleaning, the ordered refuse bags must be made available for the service team. Refuse bags and other disposal containers can be ordered in the online shop at T.06 Waste Disposal. Exhibits are excluded from the daily stand cleaning service, unless agreed otherwise. Cleaning hard floor covering requires an extra charge of 25% to be added on all mentioned positions.

M.06 – Assessment of trade fair presentation

Order No.	Description	Price in €	Unit	Pictures
	We have commissioned an independent external consulting firm to visit and evaluate the trade fair stands. This task will be conducted anonymously by various people, and stands can be visited at any time. The results will be documented in writing, evaluated and forwarded to you in a folder. The contents of the folder address the impression your company made on visitors, the strengths and weaknesses of your presentation, and how you can boost the success of trade fair presentations in the future.
