

# Services and prices of Koelnmesse Service 2010

Calculate your trade fair success

# Successfully prepare your trade fair participation

## The basis of how our services are calculated

A successful trade fair presentation requires precise planning and calculation before booking an exhibition area. With this prices and services catalogue from Koelnmesse Service, you can calculate the costs of the additional services you may use during your trade fair presentation and add them to the cost of renting an exhibition area.

### Important information:

This catalogue provides information on the individual services offered and allows you to plan your trade fair presentation. Please only order using the Koelnmesse Service Portal at [www.koelnmesse-service-portal.de](http://www.koelnmesse-service-portal.de) or by using our "Service Package 2009" CD. All prices listed are net prices and are subject to change. The VAT applicable in per item case will be added to the price.

## Plan efficiently and easily in just two steps.

This prices and services catalogue comprises a product description and a price list with which you can calculate your trade fair presentation in two fast and easy steps.

### Step 1: Product description

The product description provides you with all the services and related information, so you can select the services relevant to you. Here you will find numerous ideas for the successful planning of your trade fair participation.

### Step 2: Price lists

The price lists display all of the service prices in a clear and compact presentation. If the service you are looking for does not have a list price, call us on +49 221 821-3998. We'll be happy to help.

Navigation through our catalogue is easy, thanks to the direct links from the product description to the price list. Just print the appropriate page of this file.

# Koelnmesse Service for your success

## Our combined services

In this overview of our services and prices, we illustrate the entire spectrum of our service offerings: from stand planning (S.01 to S.10) to technical services (T.01 to T.24) and marketing services (M.01 to M.14) to catering (C.01 and C.02) as well as a choice of suitable hotel accommodations. With these services, we provide everything you need at a trade fair that your company profits from for the long term. Working with our contract partners, we offer a comprehensive range of services that ensure a perfect trade fair experience for you.

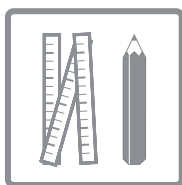

### We have all the answers

## We maximize your success

## Stand construction services

# We make sure you have the perfect stand

With the stand construction packages offered by Koelnmesse Service, you can present your company in its best light. Our stand construction services leave no wish unfulfilled. We will provide you with trade fair stands in any size and design you need, at good value for money. So while we're organizing your stand, you can concentrate on what's important to you: your company's success.

Koelnmesse Service will build your stand in line with your needs and preferences. To take your individual requirements into account and ensure an optimal presentation for your company, you can choose from a selection of system stands with or without furniture, a customized stand design and, of course, a wide range of further possibilities when it comes to furnishings and equipment.

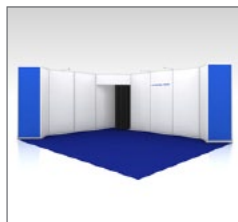

### Important information for all stand constructions

- Deadline for placing your order: eight weeks before the start of the fair.
- Orders received after the deadline for submission mentioned above are subject to a surcharge of 10% of the basic price.
- A processing fee of 50 EUR will be charged for per item additional change.

## Stand construction services (S.01-S.10)

### S.01 "Amsterdam" stand

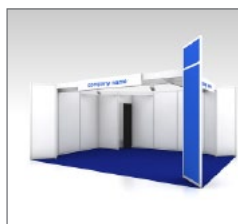

The "Amsterdam" stand is flexible and excellent value for money – and you can equip it with all kinds of features. Brightly-coloured diagonal walls are a simple way to draw a lot of attention to your company. Only the carpet and side walls are provided, so that there's plenty of room to promote your company's success even on a small stand area. >> [To the price list](#)

### S.02 "Oslo" stand

The "Oslo" stand is unfussy, bright and versatile in a typically Scandinavian way. Plenty of additional equipment is available to complement the colourful diagonal walls. You can attach spotlights to various points on the ceiling, enabling you to present your exhibits in the most flattering manner.

>> [To the price list](#)

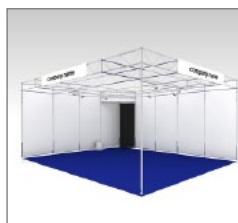

### S.03 "Basel" stand

Our "Basel" stand takes the same approach as a Swiss Army knife: the widest range of useful tools in a small space. The package price includes everything you need, including furniture, booth and shelves. A panel runs all the way across, rounding off your presentation to great effect. >> [To the price list](#)

### S.04 "Kopenhagen" stand

Our "Kopenhagen" stand construction system features an eye-catching chrome design – the perfect backdrop for technical exhibits or other high-class presentations. Thanks to a special ceiling design, the stand needs virtually no supporting pillars even over large areas. And that means there's nothing to stand in the way of your ideas. >> [To the price list](#)

### S.05 "London" stand

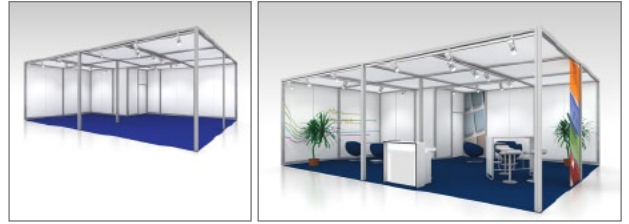

This stand combines classic chrome design and a ceiling construction without supporting pillars – complete with furniture, booth, shelving and other extras you need, depending on the size of your stand. "London" is an impressive stand concept to showcase your company and your success. >> [To the price list](#)

**S.06 "Madrid" stand**

The "Madrid" stand gives your presentation a striking atmosphere. Its textile ceiling panels create a pleasant atmosphere, and the large distance between pillars allows you to display large graphics on the walls. What's more, you can choose to hang up printed banners and graphics to draw everyone's attention to your company's key messages.

>> [To the price list](#)

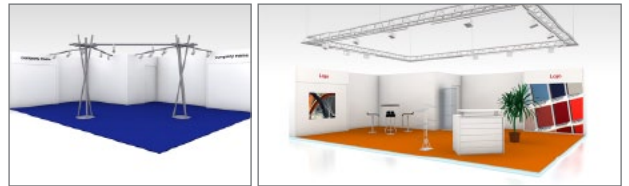

**S.07 "Barcelona" stand**

"Barcelona" is a perfect example of mastery in design. With its technically sophisticated, elegant "Pila Petite" construction system designed by Burkhard Leitner, you're sure to attract a tremendous amount of attention to your company. The textile ceiling panels and unusual showcases are real eye-catchers. "Barcelona" is the top model in our comfort program, and it offers you a multitude of design options – including glass walls, built-in showcases, shelving and sophisticated graphics. Turn your presentation into an unforgettable experience! >> [To the price list](#)

**S.08 "Paris" stand**

Our "Paris" stand system is positioned between our modular stands and our more elaborate customized stands. It offers you a high degree of individuality combined with a contemporary look. All of the walls are framed, so there are no visible supports anywhere within the stand area. As a result, you have plenty of freedom to showcase your ideas. What's more, the stand has no ceiling, so it's suitable for exhibits of almost any height. Eye-catching lighting systems give your stand an extra visual appeal.

**S.09 Customised stand construction**

You have a stand area larger than 100 sqm and are looking for a design that is tailor-made for your company – at competitive rates? Simply contact us for an individual offer.

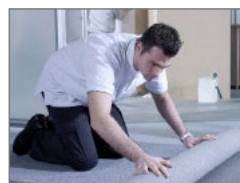

Choose your personal favourite from six different stand designs and brief us on the relevant details – fast and easy.

Your first step toward an individual stand:

>> [www.koelnmesse-service.com/individualstand](http://www.koelnmesse-service.com/individualstand)

**S.10 Partition walls/carpeting**

Here you can order white stand partition walls and carpeting as well as further elements for your stand. You are then free to design and equip your stand according to your own inspiration. In the event of damage to the wall elements, a replacement fee of 300 € per element will be invoiced. >> [To the price list](#)
